

Minimalista Bedside Table 2023

by Oleksandr Babenko

Description

The Minimalista bedside table is an ode to refinement in the world of design created by Oleksandr Babenko as the 20th piece in the collection.

Crafting the Minimalista bedside table, the designer aimed to make it an example of modern minimalism where each detail carries significance.

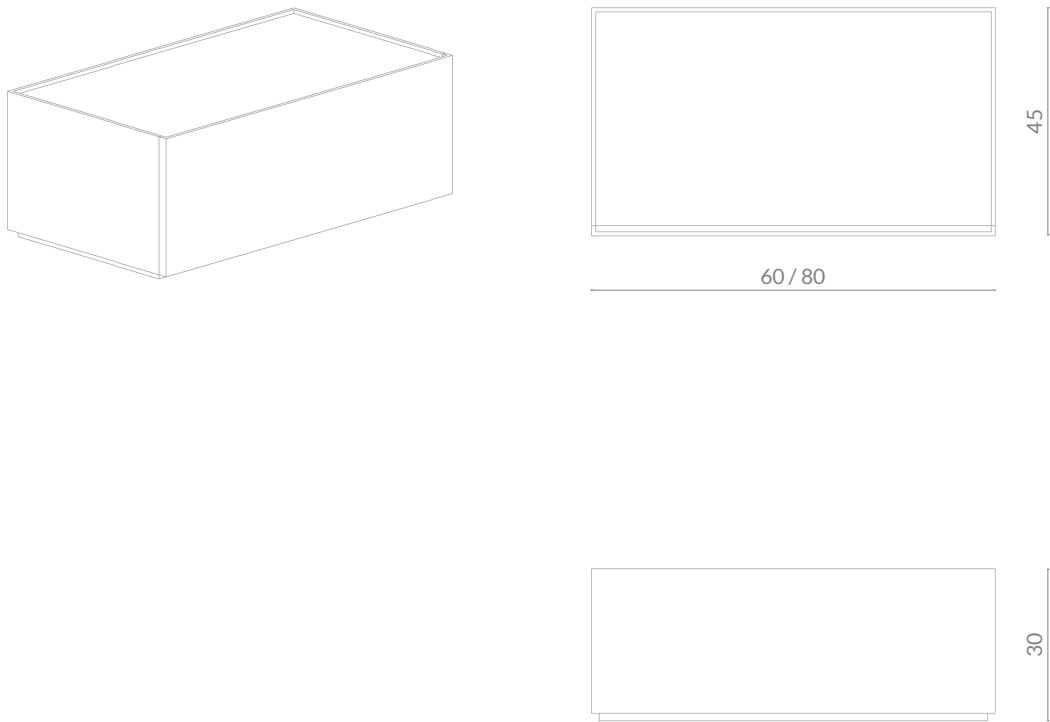

The drawer provide convenient storage. The handle integrated into the design add elegance and grace.

The Minimalista bedside table is available in various executions: a veneered surface lends a natural touch, while enamel creates a modern and stylish accent.

Minimalista is the perfect companion for your bedroom... Combining functionality and aesthetics, complementing your interior with its refined perfect style.

Important Information

We can produce our products in custom sizes. Contact us for a consultation.

Please note that surfaces made of natural veneer/wood may vary slightly in texture and shade even when using the same finish. This is due to the uniqueness of each piece of wood, batch, and the region of its origin.

We recommend purchasing items with the same veneer/wood finish as part of a single order for maximum consistency in the chosen finish.
